**SUBJECT: BILL 4 (2016)**

Dear Chair Martin and Councilmembers:

My name is Matthew LoPresti and I am the elected Representative of House District 41 (Ewa, Ewa Beach, Ewa Gentry, Ewa Villages, Hoakalei & Ocean Pointe). I testify in support of Honolulu City Council Bill 4. This bill allows for easier parking within four feet of driveways along Halolani and Maliko Streets. I strongly support this bill because it allows residents who live in this area adequate public parking where it is severely lacking. This lack of street parking is due to the unfortunate closeness in proximity of driveways along these streets rendering most areas curbing these streets illegal to park on. I have personally spoken with many of my constituents who live in the area who have voiced their hardships and frustrations due to the lack of parking in the area and I am pleased the City Council has taken the initiative to address these concerns and hear this bill.

If you have any questions please call me at (808) 586-6080. Thank you for the opportunity to testify.

Sincerely,

Matthew S. LoPresti, Ph.D.
