Written Testimony
Aloha Council Members: I'm writing to you to express my opposition to Bill 8. With all the existing bureaucracy, bill 8 is the last thing we need to improve the condition of our roadways. Bill 8 would require every project's Complete Streets checklist be brought before the City Council for their approval before the project can receive any funding. This would translate into literally thousands of projects being brought before City Council, which would mean delay and many projects simply moving forward without any Complete Streets improvements - the exact opposite of what are Complete Streets law was intend to do. Mahalo for your attention to my concerns. Kind regards, Paul Bernstein
