Written  
Testimony

I think that the City Council has enough on their plate and if you added every single project on the Complete Streets checklist to their agenda, important and crucial matters will get backlogged and pushed back till they are forgotten. Delaying Complete Streets means delaying SAFE streets. We don't need another pedestrian, motorist, or bicyclist fatality here on this place we call home, and paradise. I humbly ask that you not let this bill continue any further. Mahalo.
