Subject: Support of Bill 8

I applaud your efforts to address the safety issues of everyone affected with the use of the City and County roadways. Therefore I am requesting your support and passage of Bill 8.

As a former bicyclist, Cycling & Personal Fitness Merit Badge Counselor (Boy Scouts of America), member of the Hawaii Bicycling League and Chair of the first Bike Fest, it is my opinion that Bill 8 will benefit our community and improve the bike route, path system by making well educated and prudent decisions regarding the health and safety of all bicyclist, motor vehicle operators, pedestrians and the collateral effects on business establishments along any proposed dedicated bike route, path or cycle track.

Thank You!.
