Written Testimony

I am in support of Bill 4 please amend the bill to include Auwaha street. I am a resident living on Auwaha street for many years and parking in our sub division has been very difficult. Our household consist of 10 family members living in our household. With the younger generation getting older they now have jobs and is working and driving. Our area doesn't allow us to park vehicles in front of our house. I am in support of Bill 4 to allow our working and growing families to park in our subdivision.
