 O & C OF HONOLULU
 2016 MAR 16 AM 7:45

Written Testimony

There are two complex 3-way intersections at the Ala Kapuna and Moanalua junction and the Aliamanu Military reservation. The traffic is extremely dense and confusing during peak traffic hours of 7:30-8:30 AM when cars are trying to cross these two intersections to take children to Redhill Elementary located in the Moanalua Hillside complex) from Aliamanu Military Reservation. Other cars are trying to exit after dropping children off. Cars are also going to and from Kaiser Hospital and Assembly of God Church and school on Moanalua. Other cars are trying to exit from Moanalua Village to go to work. Parents and children are trying to cross in all the traffic confusion to get to school on foot. Others to the bus stop. The situation repeats itself in the afternoon hours of about 3:30-

5:30PM. This intersection is CRAZY and DANGEROUS already and to think of adding another 1000 cars a day is insane. Please, we need a traffic study done before we add to this insanity.
