We wish to call upon the leadership of Council Chair Martin to put a stop to Mayor Caldwell's disjointed public policy relating to the despised Hauula fire station relocation Project #2000068. DELETE Mayor's Request for \$6.650 M for capital project. He's already squandered over \$3.4 Million. There is a lawsuit in the federal court pending. We're not against building new facilities but this one will cause irreparable damage to rural Hauula. CDBG funds are meant to improve economic opportunities for low-income communities, not create more hardships. The people in Hauula wants small business opportunities, not a Nieman Marcus firehouse.
