### Written Testimony

Chair Kobayashi, I would like to express my support for the ammendments to Bills 14 and 15, (relating to improvements in the Kaka'ako Roadway system) Kaka'ako is a unique place about to undergo tremendous transformation and pressure with the addition of many new residents and services. These suggested budget ammendments give the city the flexibility to respond to these changing needs in the way that best serves the community. Thank you for the opportunity to testify.
