Written Testimony

I support the amendment to Bill 14 to allocate \$10,000 to repair the storm drain at the corner of Cooke St and Kawaiahao St. Michael Formby of the DTS has said the C&C of Honolulu owns the land where the storm drain is located and is responsible for the repair and maintenance of the storm drain. It has been in disrepair for over six months. Please allocate the money in the FY '17 budget so it can be repaired. I also support the amendment to Bill 15 to allocate \$125,000 to acquire the portion of Waimanu St from Ward Ave to the Imperial Plaza driveway. It has been impossible to get potholes repaired on this stretch of road for six months now. And with the development of the new 803 Waimanu project expected to start within the next few months, I feel city maintenance of this road will only make travel smoother in this time of anticipated disruption. Thank you for this opportunity to express my support for these two proposed amendments to Bill 14 and Bill 15. Kathy Dean 725 Kapiolani Blvd. Honolulu, HI 96813 808-262-7477
