Written Testimony

The questionable ownership of the storm drain at the Makai/Diamond Head corner of Kawaiahao and Cooke Streets has held back its repair. Over time, the opening has nearly doubled in size and has become unsightly and very unsafe. As this area caters to both business and residents alike, it is a well traversed intersection, both vehicular and the walking public. It has been determined that this storm drain is owned by the City, so for the safety of the public, we implore you to allocate \$10,000 for its repair, which is long over due.
