Testimony for the City Council Committee on Budget
Tuesday, April 5, 2016, 9:00 AM
Bill 14 (2016), Executive Operating Budget and Program.

I support the proposed amendment to Bill 14: \$10K proviso for repairs to a storm drain located at the Makai/Diamond Head corner of Kawaiahao/Cooke Streets.

Since investigation has shown that the storm drain is owned by the city, this eyesore needs to be repaired before it becomes even more damaged and costs more to fix. The dilapidated storm drain is at a very busy intersection that will become even more congested when the 803 Waimanu construction begins. **Kakaako residents have been asking for repairs since April 2013.**

Thank you for the opportunity to testify.
