**Re: Bill 14-proposed \$100,000 amendment to update the Makiki District Park master plan**

**I support the proposed \$100,000 amendment to Bill 14 to update the Makiki District Park master plan to include additional uses. The park is a focal point within the Makiki community. It provides the young as well as the seniors with a place to play, exercise and cultivate crops.**

**Although the facility is adequate, we still run into issues that at times can be very frustrating and inconvenient. Items such as, out of service restrooms, overhead paint chips falling on the practice mat area, roof leaking, lighting problems, cracked and broken windows. These are all in the martial arts room. I'm not sure if there are issues in the other facilities or outdoor area.**

**I'm sure the \$100,000 will be of much help towards curing these issues.**

**Thank you for the opportunity to testify in favor of this amendment to Bill 14**
