Written Testimony

On behalf of Friends of the Makiki Community Library (FMCL), we support the proposed \$100,000 amendment to Bill 14 to update the Makiki District Park master plan to include additional uses. Makiki Community Library has long served the community as the only volunteer-run library within the City & County's park system. Over the years, FMCL has seen the Library's and overall park usage increase as Makiki has become more and more densely populated. FMCL members have attended community meetings where master planning for the park has been discussed and FMCL believes this appropriation would provide a valuable tool and process for moving forward with planning for overall usage of the park. Thank you for the opportunity to testify in favor of this amendment to Bill 14 Wendy Maxwell President, Friends of the Makiki Community Library
