I totally disagree with this bill we must separate church and state. How dare they go directly against the constitutional laws and try to thwart them to bring such evil HATE into all of our lives. They have no reason to even think about it and what morons on the city council even think this should be on any agenda but in the trash- Have you all lost your minds? wtf have you got for brains? This is the biggest no brainer- If this is all you have to bring to us you are all so totally wasted we need an entirely new city council who knows the simplest of their constitutional laws - Get a clue council get a life- take these low life New HOPE HATE FILLED chriss chins and shove them with their concrete shoes on down in the ocean ala wtf / YOU have no business bringing such chit to this council-I really thought you city council had brains but obviously this proves you all so lost it---not one person with a pea brain would look twice at this chit- god help us all@1
