Written Testimony

I OPPOSE the amendment that would take away funding for the acquisition of Kanewai Spring and I SUPPORT the funding that would enable the purchase of Kanewai Spring. I am a resident of East Honolulu and I along with both of my children and all of their classmates, many of their parents and teachers have had the privilege of helping to care for Kanewai. I feel that Kanewai is a very rare resource, both for learning and for the physical environment. Time spent there offers lessons in culture, geography, biology, and land management. Once you have been to Kanewai you will never forget it. For such a small place it delivers inestimable value and it will be a priceless unique resource. PLEASE PRESERVE ALL FUNDING FOR KANEWAI. Mahalo! Bart Potter
