PRESERVATION and community stewardship of Kanewai Pond as proposed by the Fishpond Heritage Society is in the best tradition of Hawaaian culture and the rational care and management of native ecosystems. Please restore the funding to the budget and encourage C'man Ozawa to return to his usual mode of critical thinking and stewardship of the best interests of the community he represents. We are residents of the adjacent area (makai side of Paiko Lagoon) and completely support the proposed purchase by the Fishpond stewards.
