**Written Testimony**

As a long-time volunteer and service learner of Hawaiian cultural lands, I believe it is my duty to speak out about my opposition to the decision to remove funding from the protection and stewardship of the fishpond known as Kanewai Spring. I myself have volunteered at this site to help in the progression of its restoration and preservation. I know I would be severely disappointed to see all of the hard work contributed by so many members of this community turn to nothing. So If the council wants to represent what is in the best interests for Honolulu, it will recognize what this site means to Hawaiian culture, history, and its people; NOT 7 outspoken homeowners speaking ill of Maunalua Heritage Fishpond Center. Please continue funding for the stewardship of Kanewai Spring.
