Written Testimony

Aloha, I am 16 years old and a senior at Kamehameha Kapalama. I have been living here in Hawaii Kai my entire life. I volunteered at Kanewai and my thoughts were that I was giving something back to my community. However when we left Kanewai after spending the morning there and being educated on what significance the spring has on the surrounding environment, I realized that I left with much more than I could have ever gave. I wonder how can this question of funding even be an issue? I do have empathy and understand the concerns of the surrounding few neighbors however I have been taught by my parents that sometimes you have to sacrifice for the greater good. Kanewai is the greater good. Mahal Nui
