Mr. Chair:

Your Committee on Budget, which considered Bill 36 (2016), CD1 entitled:

"A BILL FOR AN ORDINANCE RELATING TO PRIVATE TRANSPORTATION
SERVICES AND DRIVERS,"

which passed second reading and a public hearing held at the June 1, 2016 Council meeting, reports as follows:

The purpose of the Bill is to establish regulations applicable to private transportation services drivers, including creation of a central database of information pertaining to drivers of private transportation services (including both taxicab companies and transportation network companies), to ensure the health and well-being of their passengers and that the drivers operate in a safe manner.

The Director of Customer Services testified that the City's primary concern is public safety and that the safety of the drivers and the passengers be addressed by any legislation. She also noted that the Department is continuing to seek a level playing field by creating an environment where both business models can operate under equal rules.

The Director expressed concerns in the Bill and offered comments regarding her concerns.

The Department's Licensing Administrator was available to answer questions.
