Chair, City Council

Mr. Chair:

Your Committee on Zoning and Planning, to which was referred Bill 45 (2016) entitled:

"A BILL FOR AN ORDINANCE TO AMEND THE OAHU WATER MANAGEMENT PLAN,"

transmitted by Departmental Communication 495, dated July 7, 2016, from the Department of Planning and Permitting (DPP), and which passed First Reading at the August 3, 2016 Council meeting, reports as follows:

The purpose of Bill 45 (2016) is to amend a portion of the Oahu Water Management Plan (OWMP), adopted by Ordinance No. 90-62 and codified as Chapter 30, Articles 1, 2, and 3, Revised Ordinances of Honolulu 1990, by adopting the North Shore Watershed Management Plan, attached as Exhibit A to the Bill.

In Departmental Communication 495 (2016), the DPP reported that the North Shore Watershed Management Plan is one of eight regional watershed management plans that will together form the updated OWMP.

At your Committee's meeting on August 25, 2016, the Manager and Chief Engineer of the Honolulu Board of Water Supply provided a brief overview of the North Shore Watershed Management Plan. Two individuals provided comments.
