Kaimana Hila

Testimony in Support of the Re-Appointment
of Roy Amemiya as Managing Director
City and County of Honolulu

Committee on Executive Matters and Legal Affairs
Resolution 17-2

January 10, 2017

My name is Jennifer Sabas, owner of Kaimana Hila and I am pleased to submit testimony in support of Resolution 17-2, recommending the reappointment of Roy Amemiya as Managing Director of the City and County of Honolulu.

As Executive Director of Move Oahu Forward, I have had the opportunity to work with Roy Amemiya on the rail project. He is professional, steady and a supportive team player. In addition, as a consultant to the Military Affairs Council of the Chamber of Commerce Hawaii, Roy and the City Administration have been a steady supporter of our military on Oahu. We worked together to keep the reduction of army soldiers at Schofield Barracks to a minimum. Roy understands the importance of keeping lines of communications open with our military services and to working together for the collective benefit of our island community.

Public service is a most noble profession and Roy is a committed public servant. He has served the City and County of Honolulu in different positions culminating as the managing director. He is an experienced and understated leader.

I look forward to working with him in the years ahead. I support Roy Amemiya's re-appointment fully and without reservation. Thank you for the opportunity to share my views with the City Council.
