Testimony

Aloha, I am writing today to voice my support for Bill 1 addressing the Revised Ko'olauloa Sustainable Communities Plan. Please protect the special rural nature of Ko'olauloa. I grew up in Kaaawa and attended Kahuku high school. I now live in Kailua and travel frequently to visit my parents in Kaaawa and friends further down the coast and the traffic conditions continue to worsen. Kamehameha Highway does not have the capacity for the additional vehicles that large development would put on the roads. The council has previously taken steps to preserve Ko'olauloa with the protection of lands near Turtle Bay and recently the Kahuku golf course. Thank you for taking the steps to preserve our land and not sell it out to more development. We must preserve the limited and valuable resource of undeveloped rural agricultural land for the generations to come. Once it is gone it is gone forever. Mahalo nui loa.

note - I am unable to attend in person due to being at work.
