**Testimony of Representative Sean Quinlan
to the City Council Committee
on Transportation and Planning**

Bill 001(17)
Relating to the Koolau Loa
Sustainable Communities Plan

February 9, 2017

To Chair Anderson, Vice Chair Pine, and Members of the Committee,

I am testifying today in **support** of Bill 1. Our existing road infrastructure is already overburdened, leading to gridlock and lost time at work or at home. The urban growth boundary should not be moved to accommodate new development, especially given that the land is currently zoned for agriculture.

Regards,

The Honorable Sean Quinlan
State Representative
House District 47
