Your position on the matter Support  
Representing Self  
Organization  
Do you wish to speak at the hearing? No

RECEIVED  
COUNCIL CLERK JLU  
2017 FEB 23 PM 12:51

Written Testimony

We need to sponsor spay and neuter programs particularly for persons in the community who have low income. City funding is needed to achieve the goals for feral animal population reduction and unnecessary reproduction of pet animals; spay and neuter programs have demonstrated positive impact in achieving these goals and also improving the life and well-being of pet animals.
