Written Testimony I adopted a 7 month old kitem last May. The big fix enabled me to neuter my kitten at a rate I could afford.
 I don't have an EBT card, but I'm a single 69 year old woman on a fixed income. The peoplr at the big fix were professional, efficient and helped me to afford a furry compsnion. Please continue this program, not just for people like me, but to control the feral cat populations around the island. Mahalo
