Written Testimony

So far this year, I have trapped 12 feral cats in my Ewa Beach neighborhood and taken them to The Big Fix to be spayed (3) or neutered (9), then released them back to their respective territories. It takes time to set the trap, check the trap, transport the cat to and from the clinic but time I have. But it also costs money, and that is in shorter supply. Being retired (US Postal Service), and on a fixed income, I am so grateful for the service offered by Poi Dogs and Popoki's Big Fix mobile clinic. The staff is top-notch, not to mention dedicated to helping solve the cat overpopulation challenge facing our island paradise. I support Bill 22 because expanding access to affordable spay & neuter service is another step forward in meeting that challenge in a humane and compassionate way.
