

To the City and County of Honolulu Transportation and Planning Committee: Chair Ikaika Anderson, Vice Chair Kymberly Marcos Pine, Ann Kobayashi, Carol Fukunaga, Brandon Elefante, and Joey Manahan,

**Subject: Proposed Amendments from Council Chair Emeritus Ernest Y. Martin to Ko'olaupoko Sustainable Communities Plan Attached to Bill 57 (2016), CD1**

We the undersigned are **in favor** of Councilman Martin's proposed amendments to Bill 57, Ko'olaupoko Sustainable Communities Plan, Appendix A: Conceptual Plan, A.1 Community Growth Boundary (Paragraph 2) page no A-1:

**Amendment description/details and the Maps:** Amend the description of the new Community Growth Boundary to reestablish the boundary at its original proposed location by excluding 7.591 acre portion of the DeReis property in Kahaluu

**Amendment Text (Ramseyer New Language):**

From north to south, the Ko'olau Poko CGB generally circumscribes the residential district of Walkane, the residential, business, and industrial districts of Waiahole and Waihee; and the residential, low-density apartment and business districts of Kahalu'u and 'Ahuimanu. [The CGB should include 7,591 acres of a property in 'Ahuimanu (TMK 4-7-046:006) located within the State Land Use Urban District to allow for rezoning from Agricultural district to Country district, for the development of approximately six residential lots. The remainder of the parcel (approximately 2.5 acres) would remain in the State Conservation District.]
