SECTION 2. Section 27-2.1, Revised Ordinances of Honolulu 1990, as amended, is amended to read as follows:

"Sec. 27-2.1 Definitions.

For the purpose of this code, all terms, phrases, words and their derivatives have the meanings respectively ascribed to them in this article. Terms that are not defined in this article have the meanings ascribed to them in the building code or Chapter 21, as appropriate under the context in which such terms are used. However, the term does not apply to tents or temporary structures that are used for permitted camping activities.

"Kitchen" is as defined in Chapter 21.

"Nuisance" means any public or private nuisance as defined by this code located on property governed by this code.

"Private nuisance" means a nuisance in fact that does not affect the health, safety, or welfare of the general public.

"Property" means real property that is used or intended to be used for human habitation or residential purposes. The term also includes real property that is located within [thirty] 30 feet of real property that is used or intended to be used for human habitation or residential purposes, and includes all improvements on and appurtenances to real property governed by this code. Subject to the provisions hereof and applicable law, without further action of the Council of the City and County, the general obligation bonds authorized hereby or any portion thereof shall bear interest at the rates per annum as specified in the contract or contracts approved or in the bid or bids accepted. The Director of Budget and Fiscal Services and all officials of the City and County are hereby authorized to take such action and execute such orders, receipts and other documents as may be necessary in order to effectuate the sale of the general obligation bonds authorized hereby or any portion thereof, and, if any contract therefor be approved or any bid therefor be accepted, the preparation, execution, and delivery thereof, in accordance with the provisions hereof and applicable law. In connection with, and at any time before or after the issuance of, such bonds, the Director may arrange for any insurance or banking arrangements as the Director may deem necessary or desirable, including, without limitation, credit or liquidity support facilities and interest rate swaps, swaptions, floors, or caps and other similar contracts to hedge or reduce interest rate or similar risk or the cost of borrowing when used in conjunction with bonds.

SECTION 2. The proceeds of the bonds herein authorized shall only be used to pay all of or part of those appropriations for public improvements of the City and County made in the aforesaid Capital Budget Ordinance and specified therein to be financed from the proceeds of general obligation bonds and to be expended from the General Improvement Bond Fund, the Highway Improvement Bond Fund, Solid Waste Improvement Bond Fund, or the Housing Development Special Fund.

A BILL FOR AN ORDINANCE

SECTION 3. A portion of the bonds authorized hereby are bonds which shall be issued for public undertakings from which revenues are derived, to wit: for the development of housing by the City and County for sale or for rental by the City and County, respectively, and for which the interest and principal payments on said bonds shall be a charge upon and paid from the General Fund of the City and County; provided, however, that the Director of Budget and Fiscal Services shall reimburse the General Fund for the payment of the principal of and interest on bonds, the proceeds of which have been expended from the Housing Development Special Fund as provided in Chapter 6, Article 46, Revised Ordinances of Honolulu 1990, as amended, from revenues derived from the sale or rental of housing developed from moneys on deposit in the Housing Development Special Fund.

SECTION 4. Pursuant to Section 47-16, HRS, the Director of Budget and Fiscal Services is hereby authorized to issue and sell general obligation bond anticipation notes in anticipation of the issuance of all or any portion of the bonds authorized hereby. The notes authorized hereby may be sold at one time or in part from time to time in such principal amounts as the Director of Budget and Fiscal Services shall determine to be in the best interest of the City and County; provided, however, that the Council of the City and County shall determine the principal amount of such notes to be offered for sale from time to time by resolution of one reading adopted prior to such sale. Nothing herein shall prohibit the contemporaneous issuance and sale of general obligation bonds and notes.

SECTION 5. The City and County of Honolulu shall comply with all applicable provisions of Sections 103 and 141-150 of the Internal Revenue Code of 1986, as amended, and applicable regulations of the Internal Revenue Service proposed or promulgated thereunder in the issuance of the bonds and notes authorized hereby and the application of the proceeds thereof.

A BILL FOR AN ORDINANCE

RELATING TO EROSION, SEDIMENT, AND POLLUTION CONTROL.

BE IT ORDAINED by the People of the City and County of Honolulu:

SECTION 1. Purpose. The City and County of Honolulu's National Pollutant Discharge Elimination System Permit, NPDES Permit No. HI S000002 ("Permit") requires the City to effectively prohibit non-storm water discharges through its Municipal Separate Storm Sewer System ("MS4") to State Waters. In addition, the City's Permit also requires the City to maintain a Construction Site Management Program to reduce the discharge of pollutants from construction sites to the MS4 and State Waters to the maximum extent practicable.

The purpose of this bill is to establish a regulatory framework for attaining compliance with the above-stated requirements and to create a source of funding that is needed to offset the City's cost in implementing new requirements for erosion control and water quality protection.

SECTION 2. Section 14-13.3 of the Revised Ordinances of Honolulu 1990 ("Definitions"), is amended by amending the definition of "director" to read as follows:

""Director" means the director of [the department of land utilization of the City and County of Honolulu] planning and permitting of the city or [such person's] the director's duly authorized representative."

SECTION 3. Section 14-13.1 of the Revised Ordinances of Honolulu 1990, is amended to read as follows:

"Sec. 14-13.1 Purposes.

The purposes of Articles 13 through 16 of this chapter are to provide standards to protect property and to promote the public health, safety and welfare by regulating and controlling grading, grubbing, stockpiling, soil erosion, ~~and~~ sedimentation, and land disturbing development within the city. The public health, safety, and welfare require that environmental considerations contribute to the determination of these standards insofar as they relate to protecting against erosion and ~~[sediment production]~~ pollution."

SECTION 4. Section 14-13.2 of the Revised Ordinances of Honolulu 1990, is amended to read as follows:

"Sec. 14-13.2 Scope.

A BILL FOR AN ORDINANCE

Articles 13 through 16 of this chapter set forth the rules and regulations for the control of land disturbing development activities, grading, grubbing, stockpiling, soil erosion and sedimentation; establish the administrative procedure and minimum requirements for issuance of permits; and [provides] provide for the enforcement of such rules and regulations."

SECTION 5. Chapter 14, Article 13 of the Revised Ordinances of Honolulu 1990 ("General Provisions for Grading, Soil Erosion and Sediment Control"), is amended by adding a new Section 14-13.6 to read as follows:

"Sec. 14-13.6 Erosion and sediment control plans.

- (a) Notwithstanding any other law to the contrary, it is unlawful for any person to perform, participate in, or allow any development or land disturbing activity that requires a building permit, grading permit, stockpiling permit, or trenching permit without an erosion and sediment control plan that is approved the director.
- (b) All development and land disturbing activities that require a building permit, grading permit, stockpiling permit, or trenching permit must be performed in compliance with erosion and sediment control plan approved by the director. All project sites subject to an erosion and sediment control plan must be maintained in compliance with the erosion and sediment control plan approved by the director.
- (c) Erosion and sediment control plans approved by the director must effectively prohibit the discharge of pollutants from construction sites and land disturbing activities to the municipal separate storm sewer system and state waters to the maximum extent practicable. The director may condition the approval of an erosion and sediment control plan on the implementation and maintenance of any best management practices that are intended or designed to address erosion control, run-on control, run-off control, sediment control, pollution control, post-construction pollutant control, low impact development standard or objectives, and water quality.
- (d) Prior to accepting an erosion and sediment control plan for review, the director must collect an erosion and sediment plan review fee of \$250.00. If the director requires revisions or alterations to a proposed erosion and sediment control plan, a separate plan review fee of \$100.00 must be collected prior to review of the revised or amended erosion and sediment control plan. If development or land disturbing activities are commenced prior to approval of the related erosion and sediment control plan, the director must collect a double plan review fee for each erosion and sediment control plan reviewed by the department. All fees for

A BILL FOR AN ORDINANCE

erosion and sediment control plan review are to be deposited into the general fund.

- (e) The director may adopt and enforce administrative rules to implement the requirements of this section.
- (f) Compliance with this section will not relieve a person of responsibility for complying with any other law, including but not limited to ordinances and statutes that prohibit the discharge of pollutants to the municipal separate storm sewer system."

SECTION 6. Section 14-14.4 of the Revised Ordinances of Honolulu 1990 ("Permit fees"), is amended by amending subsection (a) to read as follows:

"(a) Prior to issuance of a grading permit, a permit fee for grading on the same site based on the volume of excavation or fill measured in place, whichever is greater, will be collected according to the following schedule:

| Volume of Material | Permit fee |
|------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1,000 cubic yards or less | \$505.00 plus \$55.00 for each 100 cubic yards or fraction thereof |
| More than 1,000 to less than 10,000 cubic yard | [\$555.00] \$1,000.00 for the first 1,000 cubic yards plus \$55.00 for each additional 1,000 cubic yards or fraction thereof |
| 10,000 cubic yards or more | [\$1,030.00] \$1,480.00 for the first 10,000 cubic yards plus \$35.00 [per] for each <u>additional</u> 1,000 cubic yards or fraction thereof |

The fee for a permit authorizing work additional to that under a valid permit will equal the difference between the fee paid for the original permit and the fee computed for the entire project. "

BILL 47 (2017)

A BILL FOR AN ORDINANCE

AMENDING ORDINANCE 16-19, RELATING TO INCENTIVES FOR ACCESSORY DWELLING UNITS PRODUCTION.

BE IT ORDAINED by the People of the City and County of Honolulu:

SECTION 1. Purpose. The purpose of this ordinance is to extend the repeal date of Section 2, Section 3, and Section 5 of Ordinance 16-19. As an incentive to stimulate the creation of accessory dwelling units in order to increase the number of affordable rental units, Ordinance 16-19 provides waivers through June 30, 2018 from the following fees as applied to the creation of accessory dwelling units: (1) wastewater facility charges; (2) grading, grubbing and stockpiling permit fees; and (3) plan review and building permit fees. This ordinance extends the period of time that the incentives will remain in effect. It will provide more time for property owners to take advantage of the incentives in cases where property owners must delay creation of accessory dwelling units while waiting for necessary City infrastructure upgrades to be completed.

SECTION 2. Ordinance 16-19 is amended by amending Section 8 to read as follows:

"SECTION 8. This ordinance takes effect upon its approval; provided that the amendments to the Revised Ordinances of Honolulu 1990 made in Section 2, Section 3 and Section 5 of this ordinance are repealed on June 30, [~~2018.~~] 2020."
