Written Testimony  
 This is ridiculous that with the Amt of traffic that Puohsla St already has that there would be an issue to put a cemetery at the end of the steet! Kaneohe has enough cemeteries! Raised in Puohala Village and having generations of us raised there we have deep roots here. We do not want to see our community at the mercy of money, traffic and over development! Many of us are back home taking care of our aging parents who's hard earned dollars are invested in this community! Only to see our property values lowered .... Keep Puohala Village status quo!!! I say NO to development!
