Written Testimony

I am against this expansion due to the damage it would create to the hillsides. In the 1970's we often hiked the hills above Lipalu Street, the soil was dry, crumbly, and eroding. Even as a young child I knew there was a huge erosion problem. And with the passing of years, I know the erosion has only gotten worse. i ask the Council to help protect the residents that live below these hillsides.
