The Honorable Ron Menor, Chair
and Councilmembers
Honolulu City Council
530 S. King Street, Room 202
Honolulu, Hawaii 96813

Dear Chair Menor and Councilmembers:

SUBJECT: Resolution Initiating Amendments to the Revised Charter of the City and County of Honolulu 1973 (2017 Edition) relating to the Board of the Honolulu Authority for Rapid Transportation

Act 1, First Special Session, Session Laws of Hawaii 2017 ("Act 1"), provides for the appointment by the Hawaii State Legislature, through the Speaker of the House of Representatives and the Senate President, of four non-voting, ex-officio members to the Board of Directors of the Honolulu Authority for Rapid Transportation ("HART"), effective as of September 5, 2017, the date on which Governor David Y. Ige signed Act 1 into law. The State of Hawaii Department of the Attorney General has publicly stated its position that Act 1 is presumed constitutional and is legally defensible.

It is my concern that the legislative appointments provided for in Act 1 conflict with the Revised Charter of the City and County of Honolulu 1973 (2017 Edition) ("RCH" or "Charter") governing the composition of the HART Board, in violation of the fundamental principle of home rule embodied in Article VIII, Section 2 of the Hawaii State Constitution. Section 17-104 of the Charter provides for a ten-member board, comprising three voting members appointed by the Mayor of the City and County of Honolulu ("City"), three voting members appointed by the City Council ("Council"), two ex-officio voting members, one ex-officio non-voting member, and one voting member elected by a majority vote of the other eight voting members.
In order to reconcile Act 1 with the Charter and cure any constitutional deficiencies, I am enclosing with this letter for the Council's consideration a draft RESOLUTION INITIATING AMENDMENTS TO THE REVISED CHARTER OF THE CITY AND COUNTY OF HONOLULU 1973 (2017 EDITION) RELATING TO THE BOARD OF THE HONOLULU AUTHORITY FOR RAPID TRANSPORTATION.

As is evident by the title to the Resolution, I am proposing, and would approve, a Charter amendment proposal adopted by the Council confirming the Legislature's appointment of four non-voting members to the HART Board. Under the Charter, the Resolution must pass three readings by an affirmative vote of two-thirds of the entire membership of the Council at each reading. The majority vote of the electorate at the next general election in 2018 is then required to enact the Charter amendment. See RCH §§ 15-102.1, 15-102.2, 15-103, 15-105.3.

I understand the Speaker of the House has expressed a desire to have his two appointees sit on the HART Board, along with the two appointees of the Senate President, as soon as these appointments are ready to be announced. I am not opposed to this, even though it will take until the next general election to amend the charter to reflect Act 1's legislative intent, assuming the voters of Honolulu approve the amendment. I will support the amendment to the charter.

I am concerned, however, that if the HART Board were to have fourteen members, nine of whom are voting and five of whom are non-voting, given that the Charter currently requires "[a] majority of the members shall constitute a quorum" and "[t]he affirmative vote of a majority of the entire membership shall be necessary to take any action, ..." eight of the nine voting members must always attend all meetings and must always vote affirmatively in order for the HART Board to take any action. In other words, as eight of the members constitute a quorum, all eight voting members must always attend all HART Board meetings and must always vote the same. This would significantly interfere with the HART Board's ability to conduct business. The attached draft resolution would resolve the quorum and voting issue by amending the Charter so that for the HART Board only, the number for quorum would remain at six, and the affirmative vote of a majority of all voting members would be required to take any action.
To constitutionally effectuate the Legislative appointments to the HART Board without undermining the HART Board’s ability to fulfill its duties and functions, I am asking the Council to adopt the attached Resolution so that the voice of the people of the City and County of Honolulu can be heard and respected through their vote at the next general election in 2018.

Thank you for your consideration. I look forward to working with you on this matter.

Sincerely,

Kirk Caldwell
Mayor

RESOLUTION

INITIATING AMENDMENTS TO THE REVISED CHARTER OF THE CITY AND COUNTY OF HONOLULU 1973 (2017 EDITION), RELATING TO THE BOARD OF THE HONOLULU AUTHORITY FOR RAPID TRANSPORTATION.

WHEREAS, in the 2010 general election, the electorate of the City and County of Honolulu approved an amendment to the Revised Charter of the City and County of Honolulu 1973, as amended, creating the Honolulu Authority for Rapid Transportation, consisting of a board of directors (the "Board"), executive director, and necessary staff; and

WHEREAS, the charter amendment approved by the voters provided for a Board consisting of ten members -- nine voting members and one non-voting member; and

WHEREAS, the charter amendment approved by the voters provided for the members to be appointed as follows:
- The Mayor shall appoint three members;
- The City Council shall appoint three members;
- The State Director of Transportation shall be an ex-officio voting member;
- The City Director of Transportation Services shall be an ex-officio voting member;
- The ninth member shall be appointed by a majority vote of the eight voting members; and
- The City Director of the Department of Planning and Permitting shall be the ex-officio non-voting member; and

WHEREAS, the charter amendment is codified at Article XVII of the Revised Charter of the City and County of Honolulu 1973 (2017 ed.) ("Charter"); and

WHEREAS, Act 1, First Special Session, Session Laws of Hawaii 2017 ("Act 1") would add four non-voting members to the Board to be appointed by the President of the Senate and the Speaker of the House of Representatives as follows:

Notwithstanding any law, charter provision, or ordinance to the contrary, in any county with a population greater than five hundred thousand, in order to ensure the appropriate use of state authorized funds to finance a locally preferred alternative for a mass transit project, the president of the senate and speaker of the house of representatives shall
each appoint two non-voting, ex officio members to the board of directors of the county’s rapid transportation authority. The terms for each member appointed pursuant to this section shall be determined by the presiding officer who appointed them.

and

WHEREAS, the Mayor of the City and County of Honolulu and the City Council do not object to the President of the Senate and the Speaker of the House each appointing two non-voting members to the Board, provided that adjustments are made to the Board’s quorum and voting requirements, as set forth below, and finds that any change to the composition of the Board must be enacted through a Charter amendment approved by the voters; and

WHEREAS, the City Council desires to propose a Charter amendment to be placed on the ballot at the 2018 general election so that the voters may decide whether to effectuate the modifications to the composition of the Board made by the Legislature in Act 1; and

WHEREAS, if the voters approve adding to the Board up to four additional non-voting members appointed by the Legislature, the membership of the Board would increase to fourteen, and, pursuant to Section 13-103.1(g) and (i) of the Charter, eight members would be required for quorum and an affirmative vote of eight of the nine voting members would be required to take action; and

WHEREAS, a requirement of eight members for quorum and the affirmative vote of eight of the nine voting members to take action would significantly impede the Board’s ability to conduct business, and the addition of non-voting members appointed by the Legislature should not so burden or undermine the Board’s effectiveness; and

WHEREAS, the City Council finds that the non-voting members appointed by the Legislature should not be counted for purposes of determining the number of members required for quorum or the number of votes required to take action, and that the number required for quorum should remain at six, and the number of affirmative votes required to take action should be revised to allow a majority of all voting members to take action; and

WHEREAS, because the 2018 general election immediately follows the general election at which the 2015-2016 Charter Commission submitted its proposals, pursuant
RESOLUTION

to Section 15-102.1 of the Charter, the Mayor's approval is required for the Charter amendment proposed by this resolution to be submitted to the electors; now, therefore,
