Honorable Ernest Y. Martin
Chair, City Council
City and County of Honolulu

Mr. Chair:

Your Committee on Budget, which considered Bill 9 (2018) entitled:

"A BILL FOR AN ORDINANCE RELATING TO THE TRANSIT
CONSTRUCTION MITIGATION FUND,"

which passed first reading at the February 28, 2018 Council meeting reports as follows:

The purpose of the bill is to establish additional requirements for the transit construction mitigation fund.

The Director of Budget and Fiscal Services testified that the administration of any construction mitigation program should be the responsibility of the Honolulu Authority for Rapid Transportation. The Director also testified, however, that if this bill were to move forward as currently drafted, the Department would require an increase in staffing since it would be the Department's responsibility to administer the program.

Your Committee received no public testimony on the bill.
