

# ALA PONO

*an Ala Wai crossing*

The City and County of Honolulu invites you to consider a new crossing for the Ala Wai Canal.

Attend one of our Community Kick-Off Meetings:

- Saturday, September 22nd 1:00pm – 3:00pm
- Monday, September 24th 6:30pm – 8:30pm

Both meetings will present the same information and will be held at the Ala Wai Elementary School cafeteria, located at 503 Kamoku Street, Honolulu, HI 96826.

The purpose of the meetings is to inform the community of the study and to seek initial feedback on the alternatives. The meetings will include a presentation followed by an opportunity for attendees to share their initial thoughts on the alternatives, including a no-build scenario, improvements to existing structures, and a new bridge alignment.

For more information or if you require special accommodations to attend the meeting, please contact Nicola Szibbo, Transportation Planner, (808) 768-8359 | [nicola.szibbo@honolulu.gov](mailto:nicola.szibbo@honolulu.gov) one week in advance.
