Aloha!

We are reaching out to local business in efforts to help support our local Outrigger Club. Being that we are a nonprofit organization we depend highly on donations as we have limited financial resources. Our goals are to purchase new equipment and canoes in efforts to grow our organization to allow us to support and expanded our outreach to our community in sharing and educating our members in Outrigger paddling, Hawaiian culture and the preservation and enrichment of our environment.

Haleiwa Outrigger is typical small club with an average annual membership of 30-50 paddlers. Without the advantage of a larger membership, we are constantly challenged with making "ends meet" and financing our cultural program.

Haleiwa Outrigger EIN 99-0322087 is a nonprofit 501 (3) (c) so all contributions are 100% tax deductible. We would gratefully appreciate you supporting our local canoe club.

If you are interested in becoming a sponsor, please contact Mai Tani Waye cellular no. 757-717-5140 , hm 808-600-5526 discuss advertising options.

Please feel free to contact us regarding any questions you may have or to provide you with additional information.

We sincerely thank you for your support and donations can be mailed to our P.O. box listed above. We also have a pay pal account with our email of haleiwaoutrigger@gmail.com.

Written Testimony  
Please support the much needed canoe halau in Haleiwa. There is overwhelming justification for central & safe canoe storage for the 2 existing clubs on the North Shore. As previously discussed, this structure will serve the community and use will not be limited to the canoe clubs exclusively but will, support ongoing high school programs, the local public, etc. Thank you!

Aloha Committee Members,

It is my pleasure to write in strong support of the Resolution 20-11: Urging the City Administration to construct a canoe halau at Haleiwa Beach Park Mauka. The surrounding community has been working hard to make this a reality for many years. While the project has made it into the budget in the past it has not been built.

The benefits to the surrounding community, as well as, paddlers islandwide and statewide are numerous. The community has shown its appreciation for this special place through their efforts mālama the property in question. They have leveraged volunteer labor and donated funds to clear and maintain the area and are excited to take an active role in ensuring this community resource is appreciated and well cared for.

Written  
Testimony

The North Shore Community Land Trust appreciates and supports community efforts preserve park lands and enhance recreational resources that enrich the quality of life for North Shore residents and visitors alike. To this end we ask for your support of Resolution 20-11. We look forward to this new addition enriching lives from keiki to kūpuna.

Mahalo,  
Adam Borrello  
Executive Director  
North Shore Community Land Trust

Aloha City Council Members,

Please support Resolution 20-11:  
Urging the City Administration to construct a canoe halau at Haleiwa Beach Park Mauka.

Written  
Testimony

O‘ahu's North Shore is among the most well known and loved ocean recreation centers on our island. Each season provides a unique way to enjoy our beaches and ocean. Outrigger canoe paddling is one of the oldest and most beloved of these traditions. The canoe clubs in our region would benefit greatly from a canoe hālau at Hale‘iwa Beach Park Mauka. Its central location would benefit residents of Ko‘olauloa, North Shore/Waialua, and even central communities of Mililani and Wahiawā. Please utilize the money already in the budget for this important public purpose.

Mahalo,  
Nick Farrant  
Lifelong resident of O‘ahu's north shore
