All such monies are appropriated and may be expended by the City agencies included in this ordinance if the monies are approved in accordance with the gift approval requirement as provided in subsection (d).

(d) Expenditure of all monies received pursuant to subsections (b) or (c), including appropriations or grants by the federal or State government to the City and private grant agreements, shall be deemed approved, and the designated City official shall be deemed authorized to receive and expend the funds provided pursuant to the agreement, 15 days after notice of receipt of such monies is filed with the City Clerk and distributed to all members of the City Council, unless a councilmember files a written objection with the City Clerk prior to the 15th day. Limited purpose monies that have been objected to shall be subject to Council approval by way of a formal resolution. Intergovernmental and private agreements must comply with ROH Chapter 1, Article 8, and may be executed by the director of the department incurring the obligation. Gifts shall be approved by the Council in accordance with Charter Section 13-113 and Council Resolution 05-349, CD1, FD1, or successor Council policy. The Council reserves the right to require any monies to be approved by an appropriate budget ordinance.

Such monies include Community Development Block Grant monies, HOME Investment Partnerships Program monies, Federal Transit Administration operating assistance monies, and monies via similar federal and state assistance programs, which Congress or the Legislature may enact from time to time.

No expenditure of such monies shall be made unless the Council has authorized such expenditure by enactment of or an amendment to a budget ordinance appropriating such monies in accordance with applicable Charter provisions, ordinances, and other legal requirements. If such monies are received prior to an enactment of or amendment to a budget ordinance, the Director of Budget and Fiscal Services shall maintain such monies in special accounts showing the monies so received and specifying the purposes for which they have been received and temporarily held. The Director of Budget and Fiscal Services shall submit to the Council, a bill for an ordinance appropriating such monies as soon as possible following the receipt of such monies.

**A BILL FOR AN ORDINANCE**

(f) The Council finds that the delay in program implementation incident to any reprogramming action pursuant to certain Charter provisions involving Community Development Block Grant funds and/or HOME Investment Partnerships Program funds, or incident to any receipt of funds for these and via similar federal and state assistance programs, which Congress or the Legislature may enact from time to time, will jeopardize the availability and receipt of those funds. Accordingly, notwithstanding subsection (e) and pursuant to Charter Section 13-122, the Council hereby waives Charter Sections 3-204, 9-105, and 9-106, and authorizes all such reprogramming actions, including reprogramming or reinstating funds pursuant to this ordinance that have been appropriated in the current fiscal year executive capital budget ordinance, or in any previous capital or operating budget ordinance, and have not been expended, or receipt and expenditure of such funds in excess of the total amount appropriated by this ordinance.

The Council must approve all reprogramming actions for such funds or the receipt and expenditure of such funds by resolution. Alternatively, such reprogramming actions or the receipt and expenditure of such funds may be deemed approved 15 days after notice thereof is filed with the City Clerk and distributed to all members of the Council, unless a Councilmember files a written objection with the City Clerk prior to the 15th day. Reprogramming actions or receipt and expenditure of such funds in excess of the total amount appropriated by this ordinance that have been objected to shall be subject to Council approval by way of a resolution.

Notwithstanding ROH Section 1-8.3, if said reprogramming actions or receipt and expenditure of such funds are deemed approved in accordance with a notice filed with the City Clerk as specified in this subsection, any corresponding amendments made to any Annual Action Plan, as that term is defined in ROH Section 1-8.1, that would reflect said reprogramming actions or receipt and expenditure of such funds will be deemed approved, and the designated City official shall be deemed authorized to: (i) reprogram, receive, and/or expend said funds in accordance with the notice; (ii) execute and submit to HUD any corresponding amendments made to any Annual Action Plan that would reflect said reprogramming actions or receipt and expenditure of such funds; and (iii) execute any incidental or related amendments, agreements, or documents in furtherance of any such amended Annual Action Plan, including, but not limited to, any subrecipient agreements with governmental and nongovernmental subrecipients.

(g) For the purposes of this subsection, "City fund" excludes pension or retirement funds, funds under the control of any independent board or commission, funds set aside for the redemption of bonds or the payment of interest thereon, park dedication funds, or private trust funds.

In the event there are monies in any City fund that, in the judgment of the Director of Budget and Fiscal Services, are in excess of the amounts necessary for the immediate requirements of the respective funds, and where, in the judgment of the Director of Budget and Fiscal Services, such action will not impede the necessary or desirable financial operations of the City, the Director of Budget and Fiscal Services may make temporary transfers or loans therefrom to the other funds of the City.

---

**A BILL FOR AN ORDINANCE**

Within 14 days of the transfer or loan, the Director of Budget and Fiscal Services shall report to the Council on: (1) the amount of transfer or loan required; (2) the reason or justification for the transfer or loan; (3) the total amount outstanding and unreimbursed in temporary transfers and loans after making the subject transfer or loan; and (4) the anticipated date of the reimbursement or repayment. The Director of Budget and Fiscal Services shall notify the Council of the reimbursement or repayment of the temporary transfer or loan as soon as such reimbursement or repayment is made. Such notification shall identify the source of funding of the reimbursement or repayment of the temporary transfer or loan.

All transfers or loans under this section shall be reimbursed or repaid no later than 12 months from the date on which the transfer or loan was made, unless a later date is approved by the Council by resolution adopted on one reading without publication. Interest may be charged if the monies originate from enterprise funds.

(h) At the close of each quarter, the Director of Budget and Fiscal Services shall submit to the Council a Statement of Cash Balances by Fund showing for each quarter for each individual fund the cash balance at the start of the accounting period and the cash balance at the end of the period.

(i) No transfer of funds shall be made from any activity, including the Provision for Salary Adjustments and Accrued Vacation Pay activity, unless such transfer complies with the requirements set forth in ROH Section 2-17.2(c).

(j) Notwithstanding the provisions of ROH Section 2-17.2(c), transfers of funds from the Provision for Vacant Positions activity to any department activity may be executed without Council approval if the funds are used for any of the following purposes: (1) the regular pay for any position; (2) increases in regular and premium pay; and (3) any fringe benefits costs associated with increases in regular or premium pay. Council approval by resolution is required prior to any other transfers of funds from the Provision for Vacant Positions activity.

The Director of Budget and Fiscal Services shall submit quarterly reports concerning all transfers made from the Provision of Vacant Positions activity. In the event the transfer is to pay for vacant positions, for each vacant position, the notification shall include:

- a. Department and Activity;
- b. Job Title;
- c. Date of Vacancy;
- d. Projected Date of Hire;
- e. Salary; and
- f. Identify if the position is to be filled via contract or through the civil service process.

(k) Notwithstanding the provisions of ROH Section 2-17.2(c), transfers of funds from the Provision for Energy Costs activity to any department activity, for electricity or fuel costs, may be executed without Council approval; provided that a quarterly report shall be submitted to the Council.

(l) If any portion of this ordinance or the application thereof to any person or circumstance is held to be invalid for any reason, the Council hereby declares that the remainder of this ordinance and all other provisions thereof shall not be affected thereby. If any portion of a specific appropriation is held to be invalid for any reason, the remaining portion shall be independent of the invalid portion and such remaining portion shall be expended to fulfill the objectives of such appropriation to the extent possible.

(m) Should monies from the State of Hawaii for collection of the county surcharge on general excise and use tax exceed the amounts specified hereinbefore in Sections 1 and 10, the excess is hereby appropriated to the General Fund and shall be transferred from the General Fund to the Transit Fund. Within 14 days of the transfer, the Director of Budget and Fiscal Services shall report to the Council on the excess amount(s) appropriated and transferred to the Transit Fund.

(n) The Council finds that certain funds from the federal government and State government for programs to assist the City with coronavirus-related expenses must be received and expended in a timely manner. L116-136), and any other subsequent act or similar act enacted by Congress or the Hawaii State Legislature that may be used to address needs arising from the coronavirus pandemic, or to relieve its impacts. Accordingly, notwithstanding any other section of this ordinance or ROH Section 1-8.3 and pursuant to Charter Section 13-122, the Council hereby waives Charter Sections 3-204, 9-105, and 9-106, and authorizes and approves the receipt, expenditure, and reprogramming of such funds. Additionally, any corresponding amendments made to any Consolidated Plan or Annual Action Plan, as those terms are defined in ROH Section 1-8.1, that would authorize or reflect the receipt, expenditure, or reprogramming of such funds will be deemed approved and the designated City official shall be deemed authorized to: (i) receive, expend, or reprogram said funds; (ii) execute and submit to HUD any corresponding amendments made to any Consolidated Plan or Annual Action Plan that would authorize or reflect the receipt, expenditure, or reprogramming of such funds; and (iii) execute any incidental or related amendments, agreements, or documents in furtherance of any such amended Consolidated Plan or Annual Action Plan, including, but not limited to, any subrecipient agreements with governmental and nongovernmental subrecipients. The funds approved and appropriated pursuant to this subsection shall not lapse by operation of Charter Section 9-106 and may be received, expended, and reprogrammed for so long as the funds remain available from their source.

Amend subsection (c) to read as follows:

"(c) Monetary gifts for unspecified purposes. The City may receive monetary gifts whose use is not specified or otherwise limited by the donor. All such monies are appropriated and may be expended by the City agencies included in this ordinance if the monies are approved in accordance with the gift approval requirement as provided in subsection (d)."

Amend subsection (f) to read as follows:

"(f) The Council finds that the delay in program implementation incident to any reprogramming action pursuant to certain Charter provisions involving Community Development Block Grant funds and/or HOME Investment Partnerships Program funds, or incident to any receipt of funds for these and via similar federal and state assistance programs, which Congress or the Legislature may enact from time to time, will jeopardize the availability and receipt of those funds. ~~(1) To be taken by Council resolution; or~~

~~(2) To~~.

The Council must approve all reprogramming actions for such funds or the receipt and expenditure of such funds by resolution. Alternatively, such reprogramming actions or the receipt and expenditure of such funds may be deemed approved [fifteen] 15 days after notice thereof is filed with the City Clerk and distributed to all members of the Council, unless a Councilmember files a written objection with the City Clerk prior to the [fifteenth] 15th day. Reprogramming actions or receipt and expenditure of such funds in excess of the total amount appropriated by this ordinance that have been objected to shall be subject to Council approval by way of a [formal] resolution.

Notwithstanding ROH Section 1-8.3, if said reprogramming actions or receipt and expenditure of such funds [~~in excess of the total amount appropriated by this ordinance~~] are deemed approved in accordance with [~~subdivision (2) of this subsection,~~] a notice filed with the City Clerk as specified in this subsection, any corresponding amendments made to any Annual Action Plan, as that term is defined in ROH Section 1-8.1, that would reflect said reprogramming actions or receipt and expenditure of such funds will be deemed approved, and the designated City official shall be deemed authorized to: (i) reprogram, receive, and/or expend said funds in accordance with the notice; (ii) execute and submit to HUD any corresponding amendments made to any Annual Action Plan that would reflect said reprogramming actions or receipt and expenditure of such funds; and (iii) execute any incidental or related amendments, agreements, or documents in furtherance of any such amended Annual Action Plan, including, but not limited to, any subrecipient agreements with governmental and nongovernmental subrecipients."
