Re: Opposition to Bill 48

Dear Chair Dela Cruz and Committee Members:

I am a resident of Oahu, a taxpayer, a voter, and a vacation club (timeshare) owner at Ko Olina's Marriott Beach Club.

Our family is opposed to Bill 48 and we strongly urge the Honolulu City Council to deny this ordinance from becoming law. Not only is this proposed bill discriminatory to local timeshare owners, it is unfair and, if approved, would place an unnecessary financial burden on our family and other local families that have purchased vacation club units at Ko Olina Resort & Marina.

As a local vacation club owner, I already pay property taxes under Ko Olina's current apartment land zone classification. To change the law so that our family will now be singled out to pay higher property taxes under a special timeshare assessment that is subject to tax increases annually - even though Ko Olina's land remains apartment zoned - is simply wrong.

It would be greatly appreciated if you would take our situation under consideration when voting on this bill.

Subject: OPPOSITION to BILL 48

Dear Chair Lela Cruz & Committee Members:

As a voting resident of Oahu, a taxpayer
 and a vacation club (timeshare) owner at
 Lo Olina's Marriott Beach Club.

Our family like many Oahu families has worked
 hard and long to earn such a week of "get-away"
 here on our very busy and crowded island.

We are strongly opposed to Bill 48. This proposal
 is unjust and imposes an unfair financial burden
 on us and other local families. Please help us!

Please vote "No" on any such bill.

We and others will remember on election day.

Dear Chair Dela Cruz and Committee Members:

I am a resident of Oahu, a taxpayer, a voter, and a vacation club (timeshare) owner at Ko Olina's Marriott Beach club.

Our family is opposed to Bill 48 and we strongly urge the Honolulu City Council to deny this ordinance from becoming law. Not only is this proposed bill discriminatory to local timeshare owners, it is unfair and, if approved, would place an unnecessary financial burden on all local families that have purchased vacation club units at Ko Olina Resort & Marina.

As a local vacation club owner, I already pay property taxes under Ko Olina's current apartment land zone classification. To change the law so that our family will now be singled out to pay higher property taxes under a special timeshare assessment that is subject to tax increases annually, even though Ko Olina's land remains apartment zoned, is simply wrong.

It would be greatly appreciated if you would take our situation under consideration when voting on this bill.

Thank you for your support.

Aloha,

Terrie Aguiar

Dear Chair Dela Cruz & Committee Members:

I am a resident of Oahu, a taxpayer, a voter, &
Vacation club (timeshare) owner at Ko Olina's

Our family is opposed to Bill 48, which would lead
the Honolulu City Council to deny tax breaks from
becoming law. This proposed bill is discriminatory to
local timeshare owners & it is unfair if approved, would
place an unnecessary financial burden on families &
other local families who have purchased units at
Ko Olina.

As a local vacation club owner, I already pay property
taxes under Ko Olina's current apartment land zone. To
change the law so that my family will now be subjected to
pay higher property tax under a special timeshare assessment
& that is subject to tax increase annually, though Ko Olina's
condominiums apartment zone is absolutely unacceptable!
It would be greatly appreciated if you would
reconsider and vote against this bill.

RE: OPPOSITION TO BILL 48

Dear Chair Dela Cruz and Committee Members,

I am a resident of Oahu, a taxpayer, a voter, an activated Hawaii National Guard soldier serving my country in Iraq, and a vacation club/timeshare owner at Ko Olina's Marriott Beach Club.

My family is extremely opposed to Bill 48 and we strongly urge the Honolulu City Council to DENY this ordinance from becoming law. Not only is this proposed bill discriminatory and unwarranted to the local timeshare owners, but if approved, would place an unnecessary burden on our family and other local families that have purchased vacation property at Ko Olina Resort and Marina.

We currently lease our home and hope and plan on becoming homeowners in Oahu in the near future. We never expected this purchase would end up hindering our ability to become homeowners here on Oahu. As a vacation club owner, I do pay property taxes under Ko Olina's current apartment land zone classification. It would be unreasonable to change the law to single out families like ours to be subjected to higher property taxes under a special timeshare assessment that would cause us to be victims to annual tax increases, despite the Ko Olina land remaining zoned as apartments. It is unjust.

Please do not treat this bill as another paper pushing exercise that disregards the impact on the families involved. I have put my life in harm's way to defend this nation serving in Hawaii's National Guard and this is the thanks I receive upon return. It seems as though the more we give, the more the government takes. I implore you to consider the repercussions on the families involved with this bill and vote "NO" to Bill 48.

Thank you for your consideration,
