Aloha,

Having lived on the North Shore for the past 25 years I have nothing but respect and adoration for the natural beauty, rich culture and botanical wonder of Waimea Valley.

Preservation of this sacred valley has become crucial in order to allow future generations the opportunity to appreciate and learn from this special place.

I am writing to you today to express my full support of Resolution 06-017 as I truly believe that community involvement is what makes the difference.

Mahalo for your time,

Nanette E. Dorr
