I'm very disappointed that the City Council members cannot get the long time homeowner's some kind of genuine tax break from their property tax. Based on the yesterday's news article there are minimal tax relief proposals left on the table.

Upping the basic 40,000 to \$80,000 exemption is a good beginning.

Lowering the tax credit to homeowners from who make 75,000 to \$50,000 is not a good idea. Let's try to keep it at 75,000 or maybe even lowering it 60,000?
