The City may receive single purpose monies from: (1) any governmental or quasi-governmental agency due to the funding of a grant application thereto which has been authorized by Council resolution pursuant to the provisions of Chapter 1, Article 8, ROH; (2) any private source pursuant to a contract which has been authorized by Council resolution; or (3) any combination thereof. When such monies are received, the Director of Budget and Fiscal Services shall maintain special funds of accounts showing the monies so received and specifying the purposes for which they have been received and held.

All such receipts specified in Section 2 through 10 of this ordinance are hereby appropriated in the amounts and for the purposes set forth, and all expenditures shall be made as provided by law. Should revenues from these sources exceed the amounts specified herein, the excess is hereby appropriated in accordance with the provisions of the grants and of this section; provided that when a project is financed by both City and non-City funds and the revenues from a non-City fund source exceed the amount approved in this ordinance, the City fund appropriation shall be decreased by the amount of the excess revenues unless such decrease would jeopardize the receipt of the increased amount from the non-City fund source or the award of the contract. The scope of the project shall not be increased unless approved by amendment to the appropriate budget ordinance.

New single purpose monies include but are not limited to grants to begin new programs, and monies to fund ongoing programs or programs funded in prior fiscal years that become available during the fiscal year for which no appropriation has been made in Sections 2 through 10 of this ordinance. Such monies are hereby appropriated in the amounts and for the purposes for which they are contracted or received, provided that the receipt and expenditure of such monies are authorized by Council resolution.

The Director of Budget and Fiscal Services shall report to the Council no later than thirty days after June 30 detailing, for the fiscal year just ended, the amount of any excess monies and any new monies received, and the function, program, and activity to which the monies have been allotted for expenditure.

A BILL FOR AN ORDINANCE

Whenever the City receives gifts of single purpose monies which the Council has accepted in accordance with Section 13-113 of the Charter and Council Resolution 86-298, the Director of Budget and Fiscal Services, shall maintain special funds or accounts showing the monies so received and specifying the purposes for which they have been received and for which they are held. All such receipts are hereby appropriated for expenditure; and the expenditures from any such fund or account, to carry out the purposes for which such monies have been received or for which such fund or account is maintained, shall be approved by the Director of Budget and Fiscal Services and may be expended in accordance with the terms and conditions by which said monies have been received by the City.

(c) Multi-purpose federal monies. Multi-purpose federal monies are monies from the United States of America, which are allocated by formula entitlements and may be expended for multiple purposes. Such monies include Community Development Block Grant monies, HOME Investment Partnerships Program monies, Federal Transit Administration operating assistance monies, and similar federal assistance programs, which Congress may enact from time to time.

No expenditure of such monies shall be made unless the Council has authorized such expenditure by enactment of or an amendment to a budget ordinance appropriating such monies in accordance with applicable Charter provisions, ordinances, and other legal requirements. If such monies are received prior to an enactment of or amendment to a budget ordinance, the Director of Budget and Fiscal Services shall maintain such monies in special accounts showing the monies so received and specifying the purposes for which they have been received and temporarily held. A bill for an ordinance appropriating such monies shall be submitted to the Council as soon as possible following the receipt of such monies.

(d) Community Development Block Grant monies are monies from the United States of America which are allocated for the purpose of promoting the development of viable urban communities by providing decent housing, a suitable living environment and expanding economic opportunities, principally for persons of low and moderate income. No expenditure of Community Development Block Grant monies shall be made unless the expenditure is in compliance with all Federal Community Development Block Grant requirements, including the requirement that the expenditure must be made to: 1) principally benefit low- and moderate-income families; 2) aid in the prevention or elimination of slums or blight; or 3) meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community where other financial resources are not available to meet such needs.

(e) The Council finds that the delay in program implementation incident to any reprogramming action pursuant to certain Charter provisions involving Community Development Block Grant funds and/or HOME Investment Partnerships Program funds will jeopardize the availability and receipt of those funds. Accordingly, pursuant to Section 13-122, RCH, the Council hereby waives Sections 3-204, 9-105, 9-106.1, and 9-106.2, RCH, and authorizes all such reprogramming actions of such funds within the total amount appropriated by this ordinance to be taken by Council resolution. Amounts in excess of the total amount appropriated herein shall first be appropriated by ordinance prior to expenditure or reprogramming.

(f) For the purposes of this subsection, "City fund" excludes pension or retirement funds, funds under the control of any independent board or commission, funds set aside for the redemption of bonds or the payment of interest thereon, park dedication funds, or private trust funds.

A BILL FOR AN ORDINANCE

In the event there are monies in any City fund that, in the judgment of the Director of Budget and Fiscal Services, are in excess of the amounts necessary for the immediate requirements of the respective funds, and where, in the judgment of the Director of Budget and Fiscal Services, such action will not impede the necessary or desirable financial operations of the City, the Director of Budget and Fiscal Services may make temporary transfers or loans there from to the other funds of the City.

Within fourteen days of the transfer or loan, the Director of Budget and Fiscal Services shall report to the Council on: (1) the amount of transfer or loan required; (2) the reason or justification for the transfer or loan; (3) the total amount outstanding and unreimbursed in temporary transfers and loans after making the subject transfer or loan; and (4) the anticipated date of the reimbursement or repayment. The Director of Budget and Fiscal Services shall notify the Council of the reimbursement or repayment of the temporary transfer or loan as soon as such reimbursement or repayment is made. Such notification shall identify the source of funding of the reimbursement or repayment of the temporary transfer or loan.

All transfers or loans under this section shall be reimbursed or repaid no later than twelve months from the date on which the transfer or loan was made, unless a later date is approved by the Council by resolution adopted on one reading without publication. Interest may be charged if the monies originate from enterprise funds.

(g) At the close of each quarter, the Director of Budget and Fiscal Services shall submit to the Council a Statement of Cash Balances by Fund showing for each quarter for each individual fund the cash balance at the start of the accounting period and the cash balance at the end of the period.

(h) If any portion of this ordinance or the application thereof to any person or circumstance is held to be invalid for any reason, the Council hereby declares that the remainder of this ordinance and all other provisions thereof shall not be affected thereby. If any portion of a specific appropriation is held to be invalid for any reason, the remaining portion shall be independent of the invalid portion and such remaining portion shall be expended to fulfill the objectives of such appropriation to the extent possible.

SECTION 13. Specific Provisos.

Within 30 days of June 30, 2007, the Director of Budget and Fiscal Services shall report to the Council the special assessment revenue amount appropriated and general or highway fund amount transferred pursuant to this section. The report also shall identify the business improvement district which received the appropriated revenues or transferred funds.

In case of any conflict between the substantive provisions of the Executive Operating Program as transmitted and this ordinance, the provisions of this ordinance and any amendments thereto shall prevail, and the specific provisos contained therein shall have the same force and effect as the general provisos contained in this portion of the ordinance.
