Aloha Council Member Dela Cruz:

My name is Dave Kribell and I have lived and raised my kids in Waialua for the past 15 years. I would like to be able to stay and keep my children here in the islands (the North Shore particularly) which will only be made possible if there are jobs out here.

The renovations at Turtle Bay Resort have been a welcome improvement to the North Shore. Turtle Bay has taken a property that was in terrible disrepair (Beirut Hilton it was called) and getting worse. With hard work and millions of dollars in investments, the hotel, golf courses, and grounds have been vastly improved. I have used and enjoyed the restaurants, beaches, golf courses, hiking trails and horseback riding at Turtle Bay. The positive changes at the resort are a direct result of Turtle Bays' ability to compete and do business in a very competitive worldwide industry.

I support and wish to continue to see Turtle Bay Resort be able to renovate and expand the resort. I also recognize Turtle Bays' role in hiring hundreds of North Shore workers. I also credit Turtle Bay with hosting events like the PGA and LPGA. These events in partnership with the Friends of Hawaii Charity raise funds that are directly contributed to local charities that serve our community.

I support Turtle Bay Resort wholeheartedly!!

Warm Regards ~ <
