Dear Councilmember Djou:

Subject: Beachwalk Emergency Sewer Force Main Repair

This is in response to your December 5, 2006, inquiry regarding the landscaping to better camouflage the sewer by-pass at Ala Moana Beach Park.

The City's landscape architect is currently reviewing two plans for landscaping the above ground force main. A recommendation will be provided for implementation.

If you have any questions, please call Sean Omatsu at 527-5153.

Very truly yours,

Eugene C. Lee, P.E.
Director

RE: Landscaping to better camouflage sewer by-pass at Ala Moana Beach Park

Dear Mr. Hashiro:

My office has received a few complaints regarding the sewer by-pass at Ala Moana Beach Park. I understand that it will be at least several more years before the City is ready to remove this above ground portion of the sewer repair. Because it will take several years and because this pipe is a bit of an eye-sore coming into Waikiki, may I ask if the City is considering doing some landscaping to better camouflage this pipe? Please let me know.

Thank you for your attention to my request, and I look forward to hearing from you. Best wishes.

Aloha,
