Marc C. Tilker Confirmation Board of Water Supply

Dear Chair Marshall and Council Members:

I am writing a letter of recommendation for the confirmation of Marc C. Tilker as a member of the Board of Water Supply. I have worked with Marc on many complex business issues over the past ten years, and have always found him to be a person of great intelligence, but more importantly, of the highest integrity.

He is an active member in the community, spending countless hours serving on the Boards of many local charitable organizations, and working diligently to provide for those community members who need our kokua.

As a parent of two young boys, he understands how important water, our most precious resource, is to our Island State, our well being, and the sustainability of our collective quality of lives. He has a vested interest in ensuring that this resource is protected and managed appropriately for all of our future generations.

I sincerely believe that Marc will be an able advocate and champion of this extremely important stewardship. I humbly request your support of Marc's confirmation.

Very sincerely,

Chad W. Karasaki, CPCU
