CITY CLERK
HONOLULU, HAWAII

As you know, Bill 99-2007 relating to installing Light Emitting Diode streetlights, is a bill I introduced. My bill passed first reading at the December 2007 meeting of the full Council, and was assigned to the Transportation and Public Works Committee, which you chair.

Since assigned and passed first reading, you have refused to place this bill on the committee agenda for hearing. Tomorrow's meeting on Thursday, February 7, will be the second committee hearing where my bill will not be heard. I respectfully request a response from your office on why you are refusing to grant a hearing to my bill.

Thank you for your attention and I look forward to your response. Aloha and best wishes.
