OPPOSING Bill 9, requiring that advertisements for transient vacation units (TVUs) include certain information that would facilitate the City's ability to locate illegal TVUs and enforcing the prohibition against their operation in residential and certain other areas.

Bill 8 is better. We are having problems with illicit rentals in our neighborhood, including parking issues and lots of unfamiliar people around. I'd like to run a bakery from my house, but this isn't the place for that, is it? This is where we live, and we didn't buy property here because we wanted to live in a downtown environment. Kailua's residential neighborhoods should stay residential! There are PLENTY of empty hotel rooms on Oahu for everyone!
