Re: Against BILLS 8-9 For security reasons these Bills should be deleted

Aloha,

I respectfully request that the City Council vote to allow short-term rentals [under 30 days] for vacation rentals [condos, cottages, private homes] and B&B's facilities in Waimanalo and other places on Oahu.

Being a good neighbor is very important to me. This is my home.

I live by the golden rule. A few of the ways I am a good neighbor:

- I make sure my friends and guests park on my property, off the street
- I am a quiet and considerate person, and make sure any friends or guests follow suit
- I make sure we are quiet after 9:00 p.m. on weeknights, 10:00 p.m. weekends
- I keep my property in beautiful condition (landscaped lawns, tidy appearance)
- I clean our beach on a regular basis, and encourage others to follow suit
- I volunteer at our public library, and make regular donations of books to its collection
- I host holiday celebrations at my home to foster a sense of community
- I organize monthly neighborhood get-togethers for neighbors and 'ohana
- I report ny suspicious activity or persons when/if I see them

I believe short term (less than 30 day) rentals are a viable means to accommodate guests to our beautiful state, and that they CAN make a positive contribution to our sense of community.

Please kokua by casting your vote to allow short-term rentals!

Wahalo,
Herlinda Lopez
