Regarding **[BILL 8-9]**

I am against Bills# 8 and 9 because placing locations on advertising causes security issues.

Requiring rental property addresses to be posted on all advertisements is a bad choice. It can potentially increase vandalism and other problems in our neighborhoods by giving criminals a means to scout properties for vacancies. It can also put the people renting the property at risk and threaten their security.

I believe short-term rentals are good for O'ahu. I also believe that we can not turn our heads and look the other way any longer. It is time to establish reasonable regulations that provide permitting. Unfortunately, Bills 8-9 fail to be reasonable and smart.

Again, I ask you vote AGAINST bills 8 and 9. E kōkua kākou!
