[BILL 8-9] We are against Bills # 8 & # 9 because placing locations on advertising causes security issues.

Dear Zoning/City Council Chairs and Members;

This letter is offered **requesting your assistance, in opposing the above-mentioned (Bills 8-9).** Peace and relaxation have always been an intrinsic part of the Hawaiian lifestyle enjoyed by all who live and visit here. I believe that security concerns are most relevant to preserving this trust, especially in our current day and age. Your support will greatly ensure the continued success of a system that works.

Thank you on behalf of the many owners, and guests which never give their security a second thought.

Respectfully submitted,

Tom & Kristin Krohn
