[BILL 8-9] We are against Bills # 8 & # 9 because placing locations on
advertising causes security issues.

Dear City Council Chairs and Members;

This letter is offered requesting your support, in opposing the above-
mentioned (Bills 8-9). Peace and relaxation have always been an intrinsic
part of the Hawaiian lifestyle enjoyed by all who live and visit here. I
believe that security concerns are most relevant to preserving this trust,
especially in our current day and age. Your support will greatly ensure the
continued success of a system that works.

Thank you on behalf of the many owners, and guest which never give their
security a second thought.

Respectfully submitted,
