RECEIVED

Bills # 8 and 9

I am against Bills# 8 and 9 because placing locations on advertising causes security issues

Permitting with reasonable regulations allows everyone on the island to co-exist. Our guests are considerate to us and our neighbors, we have stern house rules they have to follow, we do screen our guests and make sure that there are no more than two guests per room. There are no parties or gatherings allowed on premises so that our neighbors and we, who live in the same house are not impacted.

This issue is island wide. Not just Kailua and every Council member should share in the discussion to permit with reasonable solutions.

Our guests come to Hawaii and to our home over and over again because it is their favorite private rental, their home away from home, if it is closed down, they will go to Mexico or other vacation destinations where they are welcomed. It is sad that there are people who are trying to destroy the Aloha Spirit that our guests love so much when visiting Hawaii
