I support including all less than 30-day rentals (B&Bs, condominiums, cottages and private homes) in the Bills for short-term permits.

I request more discussion and amendments to refine this Bill.

I am not a vacation rental or B&B owner. I am a visitor who prefers to stay in homes when we visit Hawaii. It is more like home and our family enjoys being together.

I ask that you support all less than 30 day rentals to receive short-term permits.

I am a member of a windward side hālan hula and come to O'ahu each summer for extended study. Staying in Waikiki is very inconvenient as our classes run from early morning often till into the evening. Being able to stay in a home/cottage close to the hālan and with a few hula sisters would be a great relief, so I definitely support Bill 6-7.

Dear Zoning Committee:

I am not a vacation rental or B&B owner. I am a frequent visitor who prefers to stay in homes when my family and I visit Hawaii. It is more like home and we enjoy being together. If we couldn't stay in a vacation rental, we probably would not return to Hawaii on an annual basis.

I ask that you support all less-than-30-day rentals to receive short-term permits.
